

International Turf Education Days

1. Russian Conference for Modern Turf Maintenance 17th to 19th of April 2018, Moscow, Russia

Höfing Solutions Ltd. organizes together with partners and companies the **1. Russian Conference for Modern Turf Maintenance**.

This conference will be attended from **greenkeepers, groundsmen, decisionsmakers, owners and managers of golf courses and soccer clubs** from Russia, Belarus, Kazakhstan and Azerbaijan.

The attendees will be presented modern and sustainable concepts for the construction, maintenance and renovation of all turf areas, for machinery and irrigation systems, and for the management of golf courses and soccer stadiums.

There will not just be seminars from notable companies and independent specialists, but also hands-on experiences on a golf course and a soccer pitch with agronomic presentations and different quality tests of the various turf areas.

If you are interested to attend as a company or private person, please contact Alexander Höfing at office@hoefingersolutions.at.

With support from:

Russian Ministry of Sport
